Mr. Mike Van Dusen
 Subcommittee on Europe and
 the Middle East
 Committee on Foreign Affairs
 Washington, D.C. 20515

Mike:

Attached is the Interagency Intelligence Assessment on the Impact of Moving the US Embassy to Jerusalem that was mentioned at the briefing on this subject by CIA on 27 June 1984. We are making it available to Committee Members and ask that you return it to our office when they have finished with it.

With regard to the classified talking points used by [redacted] for his presentation, we cannot make this text available to you. However, the material is on record and available to those with appropriate clearances in the official transcript. We hope this will meet your needs.
